Thanks, Paul and DOT.

Does PD need to check with or refer this matter GED or GND to address? Obviously our other departments won't intervene (i.e., tow or conduct a cleanup) unless and until it's safe to do so.

Thanks.

2/21 the RV's were marked; however, they are occupied by gang members.

Deferring to LASAN regarding the clean up.

## Re: sanitation issue with safe parking zone

One photo is attached.

You mentioned in your text that a sanitation crew would be sent to the plant. How does that get requested? Is there any coordination with the businesses there?

Thanks

Hope you have a good weekend.

Hi to Tim.
